Group Project Exam: Build a Collaborative Team Website

Beginning time: 23/11/2023, 10h
Submission time: 23/11/2023, 13h

Objective: Work collaboratively in a **<u>team of three</u>** to design a website using HTML and CSS, focusing on a topic of your choice.

Requirements:

1. **HTML Structure:**
   - Create three HTML pages.
   - Include the following elements:
     - At least one Table and one Form (in all pages).
     - Create a navigation bar, at the top, that links to all pages.
     - Include images and optimize it for the web to ensure fast loading times.
     - Include lists (ordered and unordered)

2. **CSS Styling:**
   - Create an external CSS file.
   - Apply style to achieve a cohesive design across all pages.
   - Add hover effects to links and buttons.
   - Implement a smooth scroll effect when there is a long text.

Submission Guidelines:

Each team should submit a single zip file containing all HTML, CSS, and image files used in the project, on Microsoft TEAMS.

Evaluation Criteria:

1. **HTML Structure (5 points):**
   - Proper use of HTML tags and elements.
   - Logical organization of content on each page.

2. **CSS Styling (5 points):**
   - Effective use of CSS for layout and design.
   - Cohesive design across all team pages.

3. **Navigation (5 points):**
   - Functional shared navigation bar with appropriate links.
   - Fixed navigation bar at the top.

4. **Content (5 points):**
   - Relevant and well-presented information in each section.

Here are some topics (it's not necessary to use them):

1. **Personal Portfolio**
2. **E-commerce Site**
3. **Travel Blog**
4. **Event Landing Page**
5. **Recipe Book**
6. **Tech Blog**
7. **Online Resume/CV**
8. **Social Media Dashboard**
9. **Real Estate Website**
10. **Job Board**
11. **Online Learning Platform**
12. **Weather App**
13. **Movie Database**
14. **Online Banking Dashboard**
15. **Car Rental Platform**
